Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Gary/Chicago International Airport – Cargo Logistics Apron in Fiscal Year 2023.

The entity to receive funding for this project is Gary/Chicago International Airport – 6001 Airport Road, Gary, Indiana 46406.

This funding would support the cargo logistics apron project formulation efforts including NEPA preparation, design, permitting, and potentially begin construction. Investments in the Gary/Chicago International Airport have long-term, positive economic impacts within the city of Gary and in Northwest Indiana.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Frank J. Mrvan
Member of Congress
