Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for Opportunity Enterprises for Equipment and Technology for its Lakeside Respite Center in Fiscal Year 2023.

The entity to receive funding for this project is Opportunity Enterprises - 2801 Evans Avenue, Valparaiso, Indiana 46383.

This funding would be used to support the acquisition of equipment and technology for the Lakeside Respite Center that will enhance the quality of place for clients and families. Families with loved ones with intellectual, developmental, and physical disabilities depend on extra supports and care, but many of these families have nowhere to go due to lack of quality programming, amenities provided, or space. Opportunity Enterprises, through long-term strategic planning, recognizes the need to provide more supports for people with disabilities in our communities, and the funding requested will help the organization fulfill this need.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Frank J. Mrvan".
