Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Police Radio Upgrade Project in fiscal year 2025. The entity to receive funding for this project is the Town of Griffith Police Department, located at 115 North Broad Street, Griffith, Indiana 46319. The funding would be used for the acquisition of radios for use by the Griffith Police Department. The project is an appropriate use of taxpayer funds because the acquisition and necessary upgrades will allow for continued effective operations while serving the community and maintained public safety.

The project has a Federal nexus because the funding provided is for purposes described in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Frank J. Mrvan  
Member of Congress
