Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Town of Cedar Lake, IN for the West Side Sanitary Sewer Project in fiscal year 2025. The entity to receive funding for this project is the Town of Cedar Lake, located at 7408 Constitution Avenue, P.O. Box 707, Cedar Lake, Indiana 46303. The funding would be used for the construction of a new sanitary sewer interceptor. The project is an appropriate use of taxpayer funds because the construction of the interceptor project improves the health and safety of Cedar Lake residents by providing capacity for the efficient management of sanitary flow, while improving water quality throughout the region.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Frank J. Mrvan
Member of Congress
