The Honorable Rosa DeLauro

Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Virtual Reality Training System project in Fiscal Year 2026. The entity to receive funding for this project is the Town of Chesterton, located at 1490 Broadway, Chesterton, Indiana 46304. The funding would be used for the acquisition of body worn cameras. The project is an appropriate use of taxpayer funds because it will help enhance law enforcement training within the region.

The project has a Federal nexus because the funding provided is for purposes described in Section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Frank J. Mrvan
