Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for Equipment and Technology Upgrades in fiscal year 2024. The entity to receive funding for this project is the Munster Police Department, located at 1001 Ridge Road, Munster, Indiana 46321. The funding would be used for the replacement of outdated, underperforming computers and the acquisition of additional computer equipment to enhance officer efficiencies. The project is an appropriate use of taxpayer funds because funds as the equipment and technology upgrades will improve efficiencies within the Munster Police Department and enhance officers' efforts to effectively investigate and solve crimes.

The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Frank J. Mrvan  
Member of Congress
