The Honorable Rosa DeLauro

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Combined Sewer Separation Project in fiscal year 2024. The entity to receive funding for this project is the City of La Porte, located at 801 Michigan Avenue, La Porte, Indiana 46350. The funding would be used for the replacement of combined sewers with new separate sanitary and storm sewer facilities which contribute to water quality improvements in La Porte, Indiana.

The project is an appropriate use of taxpayer funds because this combined sewer separation and stormwater management project provides capacity for the efficient management of stormwater and sanitary flow, while improving water quality throughout La Porte and the region.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Frank J. Mrvan
Member of Congress
