The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for In-Car Computer Upgrades in Fiscal Year 2027. The entity to receive funding for this project is the City of Lake Station, located at 1969 Central Avenue, Lake Station, Indiana 46405. The funding would be used for the replacement of outdated, underperforming in-car computers and the acquisition of other equipment to enhance officer efficiencies at the Lake Station Police Department. The project is an appropriate use of taxpayer funds because the in-car computer upgrades will improve efficiencies within the Lake Station Police Department and will allow for continued effective operations while serving the community and maintaining public safety.

The project has a Federal nexus because the funding provided is for purposes described in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Frank J. Mrvan".
