The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Porter Sewer Rehabilitation Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Porter located at 303 Franklin Street, Porter, Indiana 46304. The funding would be used to line identified sewers and rehabilitate manholes to reduce significant inflow and infiltration into existing sewers prone to overflows during wet weather. The project is an appropriate use of taxpayer funds the Town of Porter Sewer Rehabilitation Project improves existing sewers to eliminate inflow and infiltration which ensures the efficient management of the Town's sewer system while improving the quality of water that reaches public waterways whose waters enter Lake Michigan.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
Frank J. Mrvan
