The Honorable Rosa DeLauro
Ranking Member

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sanitary District of Michigan City Septic Elimination Project in Fiscal Year 2027. The entity to receive funding for this project is the Sanitary District of Michigan City located at 1100 E 8th Street, Michigan City, Indiana 46360. The funding would be used for the implementation of a septic elimination project, including construction of new sanitary sewer mains and associated infrastructure. The project is an appropriate use of taxpayer funds because the septic elimination project improves the quality of water that reaches public waterways, particularly Trail Creek whose waters enter Lake Michigan.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Handwritten signature of Frank J. Mrvan in black ink.
